

# TOP 10 REASONS TO VISIT THE HOOK N HORN FOR YOUR NEXT FISHING ADVENTURE.

## 1. INTIMATE SURROUNDINGS

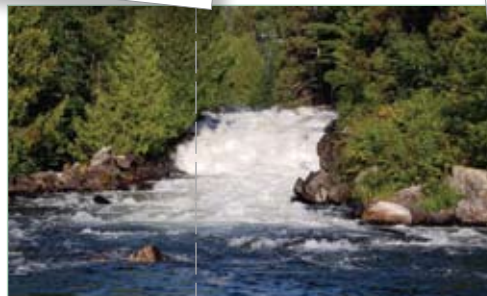

Hook N Horn is an intimate getaway in an idyllic setting, accommodating a maximum of just 16 guests. We host small corporate groups, families and serious anglers with outstanding fishing and unmatched service. A beautiful main lodge, spotless grounds, very comfortable log cabins and attention to detail add up to an unbeatable value.

## 2. BEAUTIFUL LAKE

Rowan Lake, itself, is approximately 17 miles long and 7 miles wide, with numerous islands.

At its deepest point, this 60,000-acre lake is 180 feet deep. A protected shoreline with few stretches of open water mean you'll rarely, if ever, get blown off the lake. Rowan Lake is as remote – or even more remote – than northern Canadian lodges that cost more than twice as much to visit.

## 3. WORLD CLASS MUSKY POPULATION

Rowan Lake is crystal clear, with lots of structure

and a spectacular variety of fish species, including a world-class native musky population!

## 4. THE "FAB FIVE" FISH SPECIES

You can fish for musky, northern pike, lake trout, walleye, and both large and smallmouth bass. Several surrounding lakes are a short, easy portage from Rowan Lake where you'll find boats on hand and ready to hit the water. You and your guide can plan a full day of fishing that meets your objectives.

## 5. MAIN LODGE AND MEALS

Our main lodge is a comfortable retreat – a great place to relax after a long day on the water. Take in the beautiful view while enjoying complimentary beverages during cocktail hour before a gourmet, home cooked meal. (If you like, we can purchase beer and have it waiting upon your arrival.)

The lodge also includes a tackle and gift shop, large porch, and wireless internet coverage for those who like to stay in touch with their home or office.

## 8. EASY TRAVEL

There's no need to spend a layover night at an airport hotel, or be shuttled to a service aircraft at 4 am. Travel just 60 miles north of International Falls, to the Nestor Falls Fly-In to catch your 20-minute flight to Rowan Lake. Or call to arrange to fly your private aircraft directly to Hook n Horn.

## 9. FAMILY FRIENDLY

We take pride in being a family friendly destination. We host unforgettable family reunions that cater to all ages. Call us for special group pricing.

## 10. THE BEST FLY-IN VALUE IN CANADA!

Our guests tell us that we offer the best value on Rowan Lake. And, when compared to northern Canadian fly-in lodges, our prices are less than half. We feature all-inclusive packages where just about everything is included in our prices. You won't pay extra for a trolling motor, gas or a soda!

## 6. CABINS

Our rustic log cabins are spacious, comfortable and beautiful. They feature a private bathroom, hot shower, thick Ralph Lauren towels, and nice touches like beautiful area rugs and heavy wool blankets from Hudson Bay. Each one has its own unique décor.

## 7. BOATS AND EQUIPMENT

Each of our 17-foot guide boats is fully equipped with a 40 h.p. 4-stroke

motor, large casting deck, comfortable swivel seats, depth finder, trolling motor and livewell.

# Hook n Horn

*Feels like your own private fishing retreat!*

We are the Hook n Horn fly-in fishing adventure lodge, located on Ontario's spectacular Rowan Lake. We feature a world-class native musky population – plus tremendous fishing all season long for lake trout, walleye, northern pike, and both large and smallmouth bass.

Formerly operated as an exclusive, semi-private corporate retreat, Hook n Horn is now open to all anglers looking for monster fish, stunning surroundings and attention to detail that add up to an unbeatable value.
